BORN

1967

FAMILY STATUS

Life partnership,
3 children

YEARS OF PROFESSIONAL EXPERIENCE

29

INTERESTS

Cultures,
People

The key competences are trust, encouragement and bringing potential to light. He supports people in reaching their personal and professional goals. Here the extraordinary ability is empathy, expertise and the pushing to the limits – towards success, which exceeds everyone wildest expectations.

POSITIONS

- Entrepreneur

PASSION

„To make others successful, is the driving force of my work. The focus here is not only the economic outcome, but also to create meaningful work.“
